If you ever played Wii, this is really cool. You can make your own Mii like from Wii.

```
{htmlfix}<object id="cubetoon_wii"
codebase="http://fpdownload.macromedia.com/pub/shockwave/cabs/flash/swflash.cab#version=7,0,0,0"
classid="clsid:d27cdb6e-ae6d-11cf-96b8-444553540000" align="middle" width="600" height="450"><param
value="sameDomain" name="allowScriptAccess"><param
value="http://www.blogsmithmedia.com/www.joystiq.com/media/2006/10/mii.swf" name="movie"><param value="false"
name="menu"><param value="high" name="quality"><param value="#ffffff" name="bgcolor"><embed
pluginspage="http://www.macromedia.com/go/getflashplayer" type="application/x-shockwave-flash"
allowscriptaccess="sameDomain" name="cubetoon_wii" bgcolor="#ffffff" quality="high" menu="false"
