Get Healthy America is a place on 148 Mannelto Hill Rd, Plainview, NY that my Mom, my sister, and me go to all the time. In the store there is a lady named Debby who is always so nice to us. I wrote about her store on my website because I thought that it would be a really good way to say thank you to her. My opinion about Get Healthy America is that it is one of the most best stores in the world. So if you have any time please check out the store and see if you like it or not
